

Spare Parts For Concrete Pump & Mixer

www.askaucuk.com

Rubber **1** One

Kauçuk sektöründe faaliyet gösteren firmamız yılların vermiş olduğu tecrübe ile bu sektörde adını duyurmayı başarmış bir firmadır. Tercih edilme sebebimiz üretimde tecrübeli çalışanlarımızla kaliteli hammadde ile kaliteli işçilik yapıyor olmamızdır. Sektörü iyi tanıyor ve devamlı takip ediyor olmamız bizi başarıya götüren bir diğer faktör olmuştur. İmalatımızın her aşamasında kaliteden taviz vermeden sürekli müşteri memnuniyetini gözeterek çalışıyor olmamız kalite artışı hedeflerine ulaşmamızı sağlamış, pazarda bilinirliğimizi, tercih edilirliliğimizi artırmış ve kar oranı artışımızı sağlamıştır. Müşterilerimize daima iyi ve doğru ürünler ile çözüm sunarken memnuniyetlerini de ön planda tutmaktayız, yaptığımız işin arkasındayız. Firmamız daima yeniliği ve satış sonrası memnuniyeti şirket politikası olarak benimseyerek, kalifiye elemanlardan oluşan kadrosuyla sektöre yön verici adımlar atmaya devam etmektedir.

VİZYON

As Rubber ailesi olarak en büyük gayemiz müşterilerimize her zaman daha iyisini sunabilmek için sürekli gelişimi ve yeniliği takip etmektir. Koşulsuz müşteri memnuniyetini yüksek kaliteli ürünler ile sağlamak ve bu ürün ve hizmetlerle daima müşterilerimizin yanında olmaktır.

MİSYON

Ürün ve hizmet kalitemizi daima geliştirerek rekabet ortamında tercih edilirliliğimizi artırmak ve sonrasında müşteri sadakatini sağlamak. Kar oranı artışı ile pazardaki payımızı artırmak.

Our company is active in the rubber sector with years of experience in this sector has managed to announce the name of a company. The reason of being preferred is that we are doing quality workmanship with high quality raw material with our experienced employees in production. The fact that we know the sector well and keep track of it has been another factor that leads us to success. In every stage of our manufacturing, we have been working with constant customer satisfaction without compromising quality, thus achieving our quality improvement targets, increasing our awareness in the market, being preferred and increasing our profit margin. We always prioritize our customers to provide solutions with good and correct products, and we are behind the work we do. Our company always adopts innovation and after-sales satisfaction as a company policy and continues to take leading steps to the sector with its staff consisting of qualified employees.

VISION

As the rubber family, our biggest goal is to keep track of continuous development and innovation in order to provide our customers better at all times. Unconditional customer satisfaction with high quality products and these products and services to always be with our customers.

MISSION

To improve our product and service quality and to increase our preferability in competitive environment and to ensure customer loyalty. Increase our share in the market with the increase in profit ratio.
